## Daily Responsibilities of Walking Leaders

1. Ensure all boys are on the bus/ in cars for ride to camp. Gather lunches into pack cooler for transport to camp.
2. Upon arrival at Day Camp check in with registrars at the admin tent.
3. Pair boys up using buddy system (don't allow a boy to go anywhere without his buddy). Encourage pack spirit through songs, yells, etc.
4. Gather boys at Flag Mall for opening ceremonies and announcements.
5. After morning announcements, check rotation schedule and walk boys to first session on time.
6. Control, discipline, and assist boys during every session as needed (staff is not responsible for monitoring the behavior of the boys). Please also assist the Program Staff when necessary.
7. At the end of the rotation time, gather boys and move to next session. Encourage Scouts to follow the Cub Scout Promise "Do Your Best."
8. In cases of sickness or injury, have 2 adults accompany camper to the first aid station for treatment. If necessary, send someone for help – do not leave boys alone.
9. At lunch time, be prepared to help boys with their lunches. Remind boys to do good handwashing both before and after lunch. Bring boys for noontime surprise.
10. When afternoon sessions are over, gather boys at Flag Mall for closing ceremonies.
11. Do not allow any boy to leave camp early without checking out (pre-arranged note from parents, check out at admin tent, photo ID for person taking Scout). Notify Camp Director of any problems.
12. Observe camp rules and regulations and be a good example. Ensure that none of your boys are carrying knives, guns, or matches (regardless of whether they have earned their Whittling Chip.)
13. Always have at least one Youth Protection Trained adult at camp daily and ensure 2-deep leadership at all times.
14. Do not leave camp until you are sure each boy in your pack has a ride or has been picked up.
